

# Standard Patterns

REDUCED TO  
10c and 15c., none higher.

Hereafter all STANDARD PATTERNS, whether for ladies', misses', girls', children's, men's or boys' garments, are reduced to 10c and 15c each. No higher prices than these will be charged for any STANDARD Pattern, no matter how elaborate the design.

The accuracy which has always characterized the STANDARD Patterns will be maintained absolutely, and the superiority of the STANDARD Patterns will be felt more and more in comparison with others. They are seam allowing, absolutely correct, drafted on scientific principles and graded perfectly.

The present cut in prices puts these best-of-all patterns on the same price basis as inferior kinds whose claim to recognition has heretofore been simply a lower price.

## A Word About Tailoring.

There are two classes of Tailoring a man will do well to avoid, first the cheap John that has a price so low that the work cannot be made equal to good, ready-to-wear work. Every man that has any regard for his appearance or money should avoid this class of Tailoring.

The other class of Tailoring to avoid is the tailor, who, while doing good work, charges you a good profit and then adds ten or twenty dollars for his name.

We give you the best fabrics, good workmanship and guarantee satisfaction. Suits at prices from \$25.00 up. All goods made in our own shops.
